

# THE **DRHD** KNIT CR5

## SAFETY HAND PROTECTION

Severe lacerations and blunt force impact injuries are far too common in the oil and gas industry. The DRHD® Knit CR5 reduces risk on the rig by delivering cut resistance and critical impact protection to working hands. The 13-gauge knit shell is constructed with a blend of high performance polyethylene and cut technology for critical cut resistance throughout the entire glove.

### IMPACT PROTECTION

Complete impact resistance and pinch-point fingertip protection.

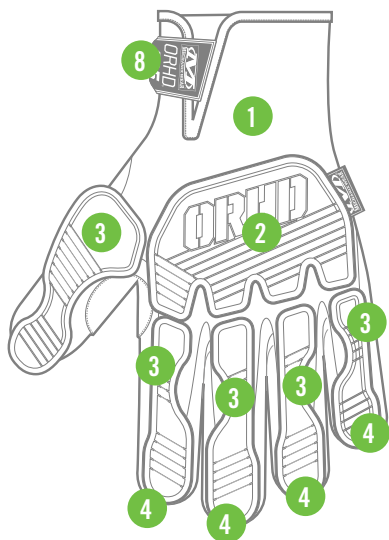

### CUT RESISTANCE

13-gauge knitted shell delivers CE Level 5 cut resistance.
